Dear Tournament Director:

Congratulations! Your club has met the necessary requirements to host the Winona Youth Soccer Invitational 2006 for the 2006 season. Your tournament is sanctioned as a National tournament.

It is the responsibility of the Tournament Director and Referee Assignor to insure that the tournament meets the requirements as agreed upon according to the MYSA Invitational Tournament handbook and approved submitted invitation and rules. Only USSF certified referees may be used. The Referee Assignor must have taken the 8 hour required certification course and completed their registration for 2006. Any changes to your sanction must be approved by the MYSA Tournament Director.

In addition, the Tournament Director and Referee Assignor must follow the red card reporting guidelines and submit the Post Tournament reports to MYSA within 30 days of hosting the tournament. The Post Tournament report is currently available on the MYSA web site.

Again, congratulations, and if we can be of further help, please let us know what we can do to help you meet your tournament needs.
